**AS CONNECTICUT'S LEADER IN TRUSTED,
INNOVATIVE ORTHOPAEDIC CARE, WE PROVIDE
BEST-IN-CLASS TREATMENT TO EVERY PATIENT**

We take pride in being able to serve everyone in our community. The community is the heartbeat of our practice! We have three office locations in Wallingford, Meriden, and Southington, a group of board-certified providers, a team of physician of assistants, and dedicated physical therapists that all strive to deliver the highest quality care and treatment!

This Fall we hope you get out and enjoy the New England foliage, but if you feel off or have taken a spill, know we can get you back to motion back to living and freedom from pain and injuries!
