

## **Diversified Physical Therapy LLC**

DPT is open and treating patients safely. All persons entering the building wear masks for the duration of their visit (including staff). We treat in a private room and leave 30 minutes between patients in each room. Everything is sanitized between patients. We take your care seriously and want to be able to provide safe and necessary care. Don't hesitate to contact us if you need physical therapy.

**Due to Covid we are not holding in person classes. They will resume when we can safely share space.**

DPT Gym- For \$25 per month you can use the equipment at DPT anytime the office is open, as often as you like. We have a treadmill, recumbent bike, lifecycle, total gym, free weights, therabands, ankle weights, foam roller, Bosu and balls of all weights and sizes. Pay per month with no extra fees and no commitment. Friendly atmosphere! Due to limited number of people who use this service and ability to have people stagger times, our gym is a good option for individual programs. Call for more information 203-630-3939.

DPT Mart- We have a variety of items for sale including masks, Biofreeze, microwave hot packs, theraband, foam rollers, exercise balls, Squatty Potty, stretching straps, Slippery Stuff and more! Stop in to DPT and check out our supplies. Our prices are better than Amazon!

Energy Healing- Michelle Thibeault, PT performs full spectrum healings. Full spectrum healing is a form of energy medicine that can help remove blocks from your energy field and promote healing. In a full spectrum healing all of the chakra levels are cleared which allows your auric field to function properly. Reiki is a form of healing that uses one chakra level and is similar to a full spectrum healing. You can have an in person session or distance (phone/skype) \$125/hour and \$75/30 minutes.
