

PASCARELLA ACCOUNTING GROUP

We offer a broad range of services for individuals, business owners, and independent professionals.

From your business' registration to payroll processing and Bookkeeping to filing your taxes, all in one place.

Business Registration

Starting a business involves making key financial decisions and completing a series of legal activities. We will help you plan, prepare, fill out all the paperwork, and submit it for you, so, you can start shaping your dreams as a business owner to reality.

Bookkeeping Services

There are various reasons to maintain good bookkeeping:

- To pay taxes;
- To provide accurate information to banks, creditors, shareholders, stakeholders;
- To understand how well your business is doing; and
- To have the facts you need to decide if and what changes are needed to increase your success and maximize your profit.

We work closely with each client to build an accounting system that provides the information needed to guide your business on course for success. We customize our services to meet your specific business needs.

Tax Preparation

We provide income tax return preparation for individuals, corporations, partnerships, limited liability companies (LLC), estates, and trusts.

Tax Representation

We provide expert representation on your behalf for income tax and trust matters before all government agencies.
