

United Way of Meriden & Wallingford

Our mission is to mobilize resources to create lasting change. Put another way, our organization works as a network to coordinate effort between nonprofit agencies and create a unified response to community needs.

Our principal task is to engage individuals and businesses in both Meriden and Wallingford to donate

funds which will create the safety net that the two communities' residents can rely on for a wide variety of services.

We are embarking on our annual campaign right now. We are asking every business in Meriden and Wallingford to consider making a donation in response to the Covid pandemic and/or a Workplace Campaign in which employees have the opportunities to give directly to United Way and other causes that they care about. United Way provides multiple ways to give, including payroll deductions from \$1 per pay period to as much as their generosity allows.

Please contact us at 203-235-4403 or through our website unitedwaymw.org to help with this effort. Now more than ever, we all need to help our communities and neighbors to Respond, Recover, Reimagine and Rebuild.

As our campaign chair Ty Bongiovanni has said: "If not us, then who? And if not now, then when?" The time is indeed now, more than any previous time in our lifetimes.
