

UBEO-

How confident are you in your business technology strategy?

A&A office Systems has been serving the Connecticut market for over 60 years. We are excited to now be powered by one of the most successful national business technology companies in the country, UBEO.

A&A Office Systems is now operating as UBEO Business Services. Richard Pendred, UBEO's representative in the Midstate Chamber of Commerce continues to serve the local community as a current member of the Alliance Board and other committees and has previously served as the Chairman of the Board for several years. UBEO delivers an exceptional customer experience in the area of business technology. We provide office copier and printer rentals, remote workforce connection, IT solutions, office safety and more.

Now, more than ever, it is important to have the right technology supporting your team. For assistance with your business technology strategy, reach out to Richard Pendred - 860-343-7087 / rpendred@ubeo.com. To learn more about UBEO, please visit us at ubeo.com.
