

Trucking Advertising Network is a mobile billboard company with a new innovative way to advertise. We have over a decade of road experience driving trucks all over new England. We are well versed in traffic patterns through out Connecticut. Now, we are bringing our knowledge of the road to benefit you in the Advertising Industry. T.A.N understand the difficulties of finding your target Audience. Whether its one of the many social media apps or music streaming apps. Picking a place to advertise is hard! So, we made it easy. 84 percent of Americans drive, and the rest are passengers. Its that simple your target audience is on the road, and we are driving right in front of them.

Our Ads drive through major cities like New Haven, Hartford, Meriden, Windsor and More! Trucking Advertising Network can get you over 250,000 impression per day! We pride ourselves on our rotations and pricing because as many people know repetition is key in advertising your business. Let us take care of your Advertising needs with our staffed graphic designer! Check us out a www.TruckingAdvertisingNetwork.com or call (203) 893-2840.
