Welcome Chamber Members and Guests:

On behalf of the Board of Directors, the Golf Committee and Staff of the Chamber, it is our pleasure to **welcome you** to our **38th Annual Midstate Chamber of Commerce Golf Tournament**. The Ray Parmentier Memorial Classic is named after one of the founders of the tournament who was active on our Golf Committee for MANY years.

2024 Education Award Winners

We are very grateful for the participation of our generous sponsors, and we are pleased to recognize our **Presenting Sponsors: UBEO Business Services and Liberty Bank**

We must also recognize the businesses that have **generously sponsored the veterans** who will be golfing with us today! It is a magnificent way to recognize and thank those who have proudly served our country. **Thank you: Atlantic Business Supply, The Curtis Home, John DiRoma, Liberty Bank, Jonal Labs, Mesite Family Partnerships and UNAPEN.**

We ask that **you please thank every one of our sponsors and prize donors today and throughout the entire year by doing business with them often**. Please remember our mantra: members use members first...and always remember that we are striving to grow our Chamber with additional members. **Please encourage your friends in business to join us – there is a QR code in the program that you can share with them. When they join, you'll get a \$50 credit off of next year's tourney – or another chamber event.**

Your participation in this tournament supports many Chamber initiatives throughout the year including our Annual Sanford S. Shorr Education Awards, named after the Chamber Executive Director who served for 29 years. Mr. Shorr was a strong advocate of community service and his legacy continues through the student winners.

Over the last 37 years, more than \$154,000 of education awards have been presented to over 181 students pursuing higher education. These students are our future business and community leaders in Central Connecticut. As we assist them with college, we also eagerly await and encourage their return to work and contribute in our community.

Please note that the eligibility for the Sanford S. Shorr Education Awards has been expanded. All dependents and employees of Chamber members, wherever they may reside, are welcome to apply for the awards. That's regionalism in action!

On behalf of the Golf Committee, the entire Chamber membership and the Education Award winning students, thank you for your support of chamber activities and enjoy this day of fantastic golf!

Sincerely,

Rosanne P. Ford, President
Midstate Chamber of Commerce

Richard Pendred, Golf Chairman
