

WE WANT TO REMAIN YOUR "CHAMBER OF CHOICE"...AND WE WANT TO TELL THE WORLD!

In 2016, we will be embarking on the most comprehensive marketing campaign that this Chamber has ever undertaken. The theme is "**Chamber of Choice**". This messaging recognizes that all businesses, and specifically our own members, have lots of options when working to grow their businesses and promote their image, products and services. We want to be sure that the needs of our member businesses are served with our Promotion, Education, Networking and Leadership programs. We want to know what is working and engage other businesses to join with our members and **CHOOSE** our Chamber.

To help jump start the messaging, in January you will see the faces of a few of our Chamber members featured on the I-91 South electronic billboard in Meriden. The City of Meriden Economic Development Office has very generously allowed us to utilize this resource in our campaign. It's one of the best ways to take our message onto the streets! We're working on the art as we speak...look for it LIVE in January!

In addition to the electronic billboard, we'll be expanding our Chamber's Social Media Campaign. Our first goal will be to promote our members while we concurrently promote the organization. Our second goal is to help educate our members and demonstrate how easily your business can create your own solid social media presence to increase your visibility on the world wide web. To start, we'll be stepping up our game in real time on Twitter (@MidstateCoC) and featuring more member News and activities on our Facebook page. (facebook.com/MidstateCoC)

We want you to know that we have a very dedicated team on our Chamber's Marketing Committee who have been working on a sample series of short video testimonials which will express why our members are members. These vignettes utilize the tag line "The Midstate Chamber...my **Chamber of Choice**". We will be utilizing our channels on Vimeo (vimeo.com/midstatecoc) and on YouTube (youtube.com/user/MidstateCoC) to spread the word. If this all seems foreign to you, don't worry as this project will help demystify social media! Pretty soon you are going to be clicking "Like" and "Share" all the time so your messages all go viral. That's fabulous promotion on a budget!

With all of this newly created buzz, in January we'll be starting our 2016 Membership Campaign 650 utilizing the Chamber of Choice theme. It is our stated goal to get to 650 active chamber members by our Annual Meeting in April 2016!

Our Campaign 650 Steering Committee is working on the best ways to engage the greatest number of our current members in this collective effort. In this membership campaign, there will be incentives for both the NEW members AND also for our current members when they help us grow our organization. Details will be announced in the January 2016 Chamber Newsletter. There is strength in numbers and we want to remain your "**Chamber of Choice**".

LET'S REALLY CELEBRATE THIS DECEMBER!

I'd like to personally invite all of our members and their guests to attend our annual Holiday Party Business After Hours which will be held on **December 9, 2015** at the **Villa Capri** on Route 5 in Wallingford. Ralph Mesite and Gina Mesite-Mueller are preparing an excellent menu and the Villa Capri is wonderfully decorated for the holidays so it's great place for photos with staff and friends! And as a bonus, we will be **unveiling the preview of the "Chamber of Choice" campaign video**. You can see it first AND see why you'll want to be next!

And on behalf of the Board of Directors and the staff at the Midstate Chamber of Commerce, we wish you a fabulous holiday season. We wish that whatever you celebrate with your staff, your family and friends, we wish that you celebrate it BIG! May your holidays be filled with abundant gratitude, laughter, memories and joy.

The Hispanic Outreach Leaders in Action (HOLA) of the Midstate Chamber of Commerce was formed in 2005. The mission of the committee is:

To reach out & engage Hispanic individuals and businesses in the area so that through the Chamber, they can obtain exposure, growth, and involvement in the community.

Throughout the year, HOLA holds fundraising events and proceeds go toward education awards that are given to area students with a Latino/Hispanic background. (These awards are in addition to awards given by funds raised through the annual Chamber golf tournament). **To date, over \$20,000 has been awarded due to HOLA's direct fundraising activities.** Any Meriden resident may apply for the awards AND ANY employees or dependents of Midstate Chamber members in good standing are also eligible, no matter where the company is located or where the individual resides.

The committee's goal is to raise a minimum of \$2,000 for the 2016 HOLA education award fund. Therefore, the committee is seeking sponsorships and donations (of raffle prizes) for their Annual Holiday Friendraiser which will take place on **December 15th at Silver City Sports Bar & Grill at Four Points by Sheraton.** The following recognition will be provided based on the monetary value of sponsorship or donation:

- ✚ Logo / Company Name on Flyer (mailed to 700 businesses); commitment needed by 11-23
- ✚ Recognized at the event (on signage displayed at event)
- ✚ Business Name Listed on Event listing at www.meridenchamber.com (site averages 40,000+ unique visits per month)
- ✚ **DETAILS - Sponsorships – Monetary**
- ✚ **\$1000+ = Platinum EVENT Sponsor:** banner ad on chamber website for one year; LARGE LOGO on signage at event; recognition in chamber newsletter and facebook and twitter; 1 minute commercial at event.
- ✚ **\$500 + = GOLD:** banner ad on chamber website for 6 months; LOGO on event signage; recognition in chamber newsletter and facebook and twitter.
- ✚ **\$250+ = SILVER:** Company name on event signage; recognition in chamber newsletter and facebook and twitter.
- ✚ **\$100 + = Bronze:** Company name on event signage
- ✚ **IN KIND DONATIONS** (for raffle) will be listed with the item on the display DRAWINGS TABLE & or when the item is handed out it will be mentioned on microphone.

We thank you very much in advance for your consideration in helping us reach our goal. Do not hesitate to contact the Midstate Chamber with questions at 203.235.7901. **NOTE: The sooner we receive your commitment, the sooner we can begin to promote you as a sponsor!**

PALS

SNOW & ICE DAM REMOVAL

DO YOU HAVE AN ICE DAM EMERGENCY?

Since 1996, PALS has provided ice dam removal to Connecticut-area homes. There's no ice dam job too big or small for our trained and experienced technicians. We can easily remove ice dams from any type of residential structure – including homes, apartment buildings, condos and townhouses.

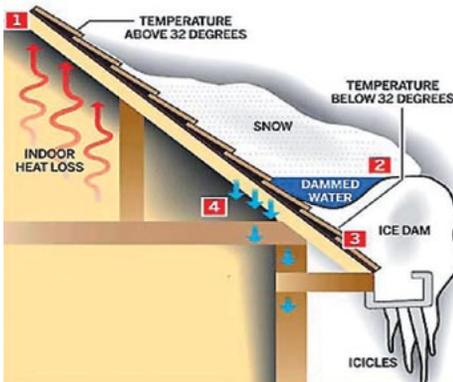

Commercial ice dam removal comes in even more shapes and sizes than residential ones. Sometimes the ice forms a giant column on the side of a building or even a giant blanket over an entire flat roof! No matter the size or shape of the ice dams on your building, we can remove them safely and easily.

5 REASONS YOU'LL BE GLAD YOU CALLED US:

- 1. We put the safety of your home first.** We use only safe and effective steam to remove ice dams, plus we are licensed and insured.
- 2. We're experienced** and take ice dam removal seriously. We've removed ice dams from Connecticut-area homes since 1996 and are trained in the best and safest ice dam removal techniques.
- 3. We offer same-day and next-day ice dam removal service.** You can get our help when you need it.
- 4. We're specialists.** Whereas some roofers and gutter-cleaning services dabble in ice dam removal when business slows down, all we do in the winter is snow and ice dam removal.
- 5. We're honest** – Member of Southington and Midstate Chambers of Commerce. Also a Certified Pro with Home Advisor.

Here's how ice dams form on your roof, step by painful step:

- Indoor heating rises through the ceiling, into the attic, and warms the roof (from the underside). The shingles get warm.
- Snow that has fallen on the now-heated part(s) of the roof melts. The melted snow then flows down the roof until it reaches the part of the roof that is lower than 32°F (most commonly the overhangs). This water refreezes and begins to form an ice dam.
- The dam gets bigger and bigger as more snow melts and refreezes. Water now begins to pool behind the increasingly large wall of ice.
- Eventually, the water works its way through the shingles (or other roofing material) and flows through the roof decking and into the attic. From here it can

seep through the ceiling, the interior walls, and into the rest of the building.

If you have any questions or would like to schedule ice dam removal right away, please call Kevin at

860-919-8748

We offer same-day and next-day service and we're available 24/7!

Why Brick Ovens Are Better!

The authentic Italian way to cook pizza & bread is to use a real brick oven. The intense heat of the brick oven reaches temperatures of up to 900 degrees. The pizza cooks quickly, locking in freshness & flavor, while creating a light, crispy crust & a uniquely sophisticated taste.
